CONSENT FOR TREATMENT AND FINANCIAL POLICY TELEHEALTH

Patient Name: DOB:

We would like to **THANK YOU** for choosing Phoenix Physical Therapy. (PHX PT). PHX PT accepts third party payments and will submit your bills for treatment to the address provided as a courtesy to you. In order for PHX PT to bill your insurance company on a regular basis, we request that you sign this release of information and assignment of benefits (if applicable). Typically, insurance companies pay a predetermined amount of our treatment charges; however, it is your responsibility to call your insurance company to check on the coverage provided by your individual policy. As a courtesy to you, we will perform an insurance verification with your insurance company; however, we do not take responsibility for any misinformation that we are given during this process. It is within your best interest to verify your outpatient benefits with your individual insurance plan and to confirm them with our office prior to initiating treatment.

CONSENT FOR CARE AND TREATMENT

I choose to participate in this therapy visit which may include telehealth. Regarding telehealth visits, I recognize that there are limitations to the services available through telehealth services compared to in-person visits. This includes but is not limited to the inability of the therapist to perform hands-on examination, assessment and treatment. I authorize PHX PT to furnish treatment which is considered necessary and proper in diagnosing or treating my physical condition. The assessment diagnosis by PHX PT is not a medical diagnosis and is not based on any radiological or medical imaging.

If my visit is furnished through telehealth, I recognize this telehealth visit entails use of photography and videotaping for my telehealth therapy visit. I acknowledge that PHX PT has used its commercially reasonable efforts to implement the appropriate security measures through a third-party vendor to protect my protected health information (PHI); provided, however, I hereby acknowledge and agree that there are potential risks associated with this type of interaction notwithstanding these measures. Therefore, I hereby release and hold PHX PT harmless if any technical security measures fail for any reason.

It is possible that my participation in the telehealth visit could result in injury to me. I also acknowledge and fully understand that I am engaging in activities that may involve the risk of economic and other damages which might result from my own actions or omissions, from the actions or omissions of other parties, or from any of the activities I am asked to complete during this telehealth visit. I understand that medical attention will not be immediately available in the event it should be needed. I further agree that there may be other risks not known to me or not reasonably foreseeable at this time. Nonetheless, it is my desire to participate in the telehealth visit. Accordingly, I release, waive, discharge and covenant not to sue PHX PT, any of its employees, representatives, officers, directors, shareholders, affiliates, administrators, agents, owners, or lessors of all equipment, all of whom are hereafter referred to as “Releasees”, from demands, losses or damages on account of injuries, including death or damage to property, caused or alleged to be caused in whole or in part by the negligence of the Releasees or otherwise. I hereby authorize and designate the following individual to act in all matters in connection with my treatment by PHX PT, including, without limitation, discuss my therapy plan of care, and schedule and cancel my appointments:

First and Last Name	Phone Number	Relationship to Patient

FINANCIAL RESPONSIBILITY

I understand that in some instances my health insurance may not cover all treatment charges incurred. I agree to be financially responsible to PHX PT for any medically necessary therapeutic services that are not covered by my health insurance carrier. In addition, I authorize PHX PT to release (a) any medical or other information about PHX PT services, or services provided by third parties, if required to obtain payment from my insurer or other payer and their agents to process payments; (b) any medical or other information required by my insurer, other payers and their agents; and (c) medical or other information required by my insurer, other payers and their agents, government agencies or their designees for review of the care provided to me.

ASSIGNMENT OF BENEFITS

I hereby authorize payment directly to PHX PT any benefits payable to me and/or my qualified dependents under the insurance coverage or Major Medical provisions of insurance coverage identified on bills submitted by PHX PT for treatment. By way of my signature below, I provide PHX PT with my authorization and consent to use and disclose my

CO-PAYMENTS, COINSURANCE AND DEDUCTIBLES

I understand that if my insurance plan requires a co-payment, coinsurance, and/or deductible for treatment, payment will be collected at the time of my visit, according to my insurance benefits and the following PHX PT policy to reduce the balance billed to me at the end of care: Copays are collected in full at the time of service. Balances towards deductible and coinsurance will be collected as insurance(s) processes claims throughout the course of treatment. Any outstanding balances due at the end of each month will be billed to the patient.

LITIGATION ACCOUNTS

With respect to litigation against another party, I understand that PHX PT will directly bill my appropriate insurance; however, I am responsible for the payment of my treatment, not the entity being sued. Liability action against another party will not enable me to refuse payment to PHX PT. I fully understand that I am directly and fully responsible to PHX PT for all medical bills submitted by PHX PT for services rendered to me regardless of whether my claims are settled or result from a court judgement.

PATIENT VALUABLES

I relieve PHX PT of any responsibility for loss of clothing, money, valuables, or other items that I decide to keep with me while I am a patient.
